{} OBJECTIVE

Enthusiastic and highly skilled Front-End Developer with a passion for creating user-friendly, visually appealing web and mobile applications using React and React Native. Committed to delivering high-quality code and exceptional user experiences. Seeking an opportunity to contribute my expertise to a dynamic team.

🎓 EDUCATION

bachelor in business information systems,　　　　　2018 – 2022 | Cairo, Egypt
Helwan university
Graduated with GPA of 3.25(very good)

💼 PROFESSIONAL EXPERIENCE

Gemini media, *Front End Developer*　　　September 2022 – present | Cairo, Egypt
- Collaborated with the development team to build and maintain web applications using React.js and mobile applications using React Native
- Assisted in optimizing user interfaces for improved speed and responsiveness.
- Gained experience in debugging and troubleshooting code issues.
- Participated in agile development processes, including sprint planning and daily stand-up meetings.
- Contributed to the development of the Masrawy website and Yalla Kora, enhancing user engagement and satisfaction.
- Work closely with UX/UI designers to translate wireframes and mockups into interactive, pixel-perfect interfaces.
- Implement state management using Redux alongside local storage and sessions, improving application data flow and maintainability.
